### LOCAL MATTERS.

THE music-loving portion of the Tucson public have rarely enjoyed a better treat than was afforded by Professor Wieniawski's concert last Tuesday evening, and no musical entertainment in town was perhaps ever honored with a better house. At the hour of commencement the court-house was well filled, there being a goodly proportion of ladies in the audience. Upon the performance of the opening piece, selections from Beethoven, the audience lost all doubts of the character of the performance and settled down to an en-joyment, repeatedly applauding Messrs. Wieniawski and Reichenbach at various points in the concert. There was generally expressed surprise at Prof. Wieniawski's ability as a violinist, and as he is evidently young in years he ought yet to attract wide attention in the musical world, or he will greatly fall short of his promise. The programme was to an extent old and familiar and for that reason better. The larger portion of the audience were acquainted with the various passages given, and had heard them played by great musicians, and their hearty plaudits were not indiscriminate, and therefore all the greater praise. The parts rendered by Mr. Wm. Reichenbach came in for their meed of applause and local musical talent had again cause to congratulate itself upon possession of so excellent a pianist. At the request of many citizens, Professor Wieniawski has accepted a benefit concert to take place this evening at which Mr. Wm. Reichenbach has kindly volunteered his services.

THE grand jury report as follows.—They have found three indictments. They call attention to the insecure and poorly ventilated condition of the jail; also to the necessity for the court-house. They found the county treasurer's books and cash all right, likewise the books and records of the county recorder, and they give that of deer a puff. They found the county hospital in perfect condition. They found the records of the Justices of the Peace in satisfactory condition. They found the records of the Probate court in order and correctly kept. The Judge of this court is in doubt as to fees in certain cases and the jury recommend the appointment of a committee to determine fees in this court. In the district attorney's office the jury found no records to examine. In regard to certain filthy corals, the jury exacted the promise of the owners to remove cause of complaint.

DR. J. M. JANSKO has his card among our new advertisements. The doctor has lately arrived in Tucson, and in conversation with him the other day he informed us that he is a graduate of the New Orleans School of Medicine, that his practice has extended over a number of years, including service as surgeon in the army, that he was a practicing physician for three years in Los Angeles, California, whence he came to Tucson. The climate of California not agreeing with him, Dr. Jansko has come to Arizona for the benefit of our drier atmosphere, and being well pleased with Tucson will permanently settle here. He is married and will shortly be joined by his family. Those desiring to see the doctor's medical diploma by calling at C. H. Meyers' office, where it is on record.

DR. R. A. WILBUR who has been on a visit to Altar, Sonora, with his wife and child, returned to Tucson the latter part of last week, looking life-like and breathing as naturally as usual and as ready as ever to swap horses crossing a stream or on either bank or even without any stream in the premises. While absent he purchased some more stock for his ranch and reports everything doing nicely.

THE season for balls and parties is at hand and we would inform those who are proposing to give entertainments that our job office is now supplied with the finest assortment of ball programmes and engagement cards, of the most delicate colors and tasteful forms. These are the regular folded cards, programmes on one side and engagements opposite. These and all other printed forms furnished at the lowest rates.

LORE & WILLIAMS have this week shipped 6425 pounds of assorted merchandise to various interior points, and have received 60,000 pounds of merchandise from Yuma and 20,000 pounds of wheat from the Gila. They have purchased during the same time \$300 worth of gold dust and \$300 worth of silver bullion.

LIEUT. E. D. THOMAS, Fifth Cavalry and engineer officer of General Kautz's staff, with Lieut. L. A. Graig of the Sixth Cavalry, has been in town for several days this week. The two officers have been in the eastern part of the Territory, engaged in a survey of the new Camp Thomas on the upper Gila.

THERE used to be several good minstrel troops among the soldiers in this portion of Arizona. What has become of them? If they still exist why don't they give us an occasional entertainment? We believe they could draw crowded houses at proper intervals.

TULLY, OCHOA & Co., during the week have received as follows:—From Tubac, 45,000 pounds of grain. From Yuma, per Contreras train 6000 pounds of freight for Bowie, 16,221 pounds for Camp Thomas, and 7854 pounds for Lowell.

J. S. MANSFIELD has this week received a number of the latest novels and a large number of choice volumes from standard authors. He is in constant receipt of the latest publications. Hereafter we intend to give a list of his new books as received.

THERE are prospective business and transportation projects and movements centering at Tucson and which will be carried out at an early period, which will alter the whole phase of business in this vicinity.

DEPUTY SURVEYOR Theo. F. White started his surveying party for the field on Tuesday and followed, himself, next day. His present surveys are located along the Sonora.

ATTENTION SMOKERS.—If you want a fine imported Havana cigar, go to Mansfield's News Depot.

SURVEYOR-GENERAL JOHN WASSON and his wife are expected here in the early part of December.

**District Court.**  
Pursuant to adjournment, the district court convened November 13, at 10 o'clock a. m., his honor, Chief Justice C. G. W. French, presiding as Judge. The venire for the grand jury was returned with the following panel for United States and Territorial district grand jurors:—J. S. Vosburg, foreman; Peter Kitchen, Adams Sanders, J. E. Bailey, R. Woffenden, Samuel Hughes, Sr., John Wild, F. L. Austin, A. Borton, S. H. Drachman, P. Abadie, G. H. Stevens, D. A. Bennett, Wm. Ohnesorgen, John Conley, Thos. Becknap, E. D. Wood and Adam Levin.

The criminal and civil calendar was then called, as follows:—M. E. E. Hollman vs. W. B. Hollman, default entered and J. Nengas, Clerk, appointed referee to take testimony. Territory of Arizona vs. J. A. Simpson, grand larceny. Territory of Arizona vs. Anna C. Woffenden, S. Laurin et al., conspiracy to murder, continued for the term. Estate of the estate of Thos. McWilliams, deceased, vs. H. B. Smith, Public Administrator; passed. Peter Forbach, D. Taylor and Thomas Ewing vs. David Shultes; passed. R. E. McDermott vs. Wm. A. McDermott; on motion case dismissed. L. W. Nickerson vs. S. W. Carpenter; passed. F. Morales vs. R. N. Leatherwood, administrator of the estate of S. McClatchy, deceased; passed. D. Rivera de Gomez vs. Braulio Gomez; passed. O. Buckalew vs. Smith and Stevens; continued for the term. J. A. Bruson vs. Fish, Silverberg et al., passed. Hewitt, Bartlett, Handy et al., vs. J. P. Arey; passed. Baker & Hamilton vs. J. P. Osborn and Barnett & Block; allowed till the 16th of November to answer. W. C. Gardenhire vs. James Blaise; passed. E. N. Fish & Co. vs. Fowler & McDowell; passed.

John P. Hoyt was admitted to practice at the bar. Upon motion of Briggs Goodrich, out of respect to the late Chief Justice John Titus, a committee was appointed by the court to prepare resolutions and present the same at 3 p. m., viz., John P. Hoyt, J. T. Alsap, Hugh Farley and Briggs Goodrich. At 3 p. m., E. B. Pomroy, after a few remarks in memory of the late Judge Titus, presented and read the following resolutions:—WHEREAS, God in his infinite mercy hath seen fit to remove from his earthly sphere of usefulness and honor one of our number, and

WHEREAS, during his life he was highly honored and beloved by all who knew him, for his courtesy, greatness of heart and largeness of mind,—one of whom all the world might say, "this is a man in the best and highest sense",—now therefore be it

RESOLVED, that for the memory of John Titus dead we deeply grieve, who while in life was beloved, in death esteemed. And be it further

RESOLVED, that in memory of the sad event these resolutions are made, and shall be spread upon the minutes of this court, and a copy thereof be transmitted to the family of the deceased, and that this court be adjourned out of respect to his memory until tomorrow at 10 a. m.

By the court, JOHN P. HOYT, J. T. ALSAP, HUGH FARLEY, Briggs Goodrich, Committee.

Upon the close of the reading, remarks were made by Hugh Farley, J. T. Alsap, and Chief Justice French, and it was ordered by the court that the resolutions be adopted and spread upon the minutes of the court, whereupon court accordingly adjourned until next day.

Court reconvened November 14, at 9 a. m. In Hollman vs. Hollman a decree of divorce was entered in favor of Plaintiff. W. S. Oury praying for a decree of cancelling an erroneous deed, a decree ordered to be entered according to prayer. In Forbach et al. vs. Shultes, after hearing arguments of counsel on a change of venue and demurrer, case continued until January 1, next.

November 15. Territory vs. Simpson, nolle prosequi entered for want of witnesses on part of the prosecution. In Hewitt et al. vs. Arey, witnesses examined, plaintiff allowed to make complaint and Wm. J. Osborn appointed referee to take the accounts between the parties. At 2 o'clock p. m. the grand jury returned into court with report and three indictments. There being no business for the United States grand jury, jurors were discharged. Jose Cordova, indicted for grand larceny, was arraigned and given till the 20th to plead. Wm. A. McDermott, indicted for an assault to commit murder, was ordered to appear November 20, for arraignment. James Price, indicted for grand larceny, broke jail some time ago and as he has never been fit to return thereto his case naturally came under the head of not in custody.

Court adjourned until the 20th instant when the trial jury will take hold of matters and walk over the docket and finish those unfortunate who were too honest or too poor to buy their way out of the meshes of the law.

THERE is a very painful report in town that a prospector lately discovered the mutilated remains of R. H. Howe in the Globe district. Mr. Howe was our first telegraph operator in Tucson and will be pleasantly remembered by hosts of friends. We know of his having been in San Francisco as late as September 22, but now this report comes that a prospector in his rambles in the Globe district came across a human body which had been buried but washed out by the rains; the head was nearly or quite severed from the body and upon examination the discoverer was horrified to recognize the body as that of R. H. Howe with whom he was well acquainted. It is supposed he was murdered for his effects. The report comes from Florence and if confirmed we shall make further note of it.

MR. THOMAS DUNBAR of Tres Alamos was in town the first of the week and among other things told us our last week's figures of the vote in his district were wrong. He gives the vote partially thus:—Stevens 21, Oury 14, King 25, Ohnesorgen 14. The board of supervisors will meet and canvass the vote of the county next Monday and in our next issue we will present the vote complete.

THE very best assortment of writing material, ink, pens, etc., can be found at J. S. Mansfield's News Depot.

We noticed the arrival at John H. Archibald's, yesterday, of the new ore crusher for the French mine.

**Common Council.**  
At the regular adjourned meeting of the village council last Monday evening, there being present Mayor Allen and Councilmen Leatherwood, Drachman and Hughes, the following proceedings were had:—

Mayor Allen reported that on the 23d instant he was informed that a case of small-pox had been introduced into town. In company with Dr. J. C. Handy he immediately proceeded to the house where the patient was and Dr. Handy pronounced it a case of malignant small-pox. Thereupon the patient was removed out of town about two miles and placed in a temporary hospital under charge of a nurse and two guards, while fences were built across the road and the case completely isolated. The patient, a child, died and was buried. The house in town where the case was discovered was thoroughly fumigated and the clothing of the mother and child, burned. An order had been sent to San Francisco for pure vaccine matter for the purpose of vaccinating every person who may need it.

The council approved the Mayor's action and report. Order No. 8, relating to sanitary measures was then passed by unanimous vote, and upon motion Dr. J. C. Handy and Messrs. P. R. Tully and Wm. Zuckendorf were appointed the Board of Health of the village of Tucson. Ordinance No. 10, concerning licenses and their collection, was read and passed unanimously and copies thereof were ordered printed and posted. Upon motion it was ordered that every householder living on Pennington street and north and west thereof, and every householder upon north and east of Stone street, and every householder upon south and east of Ochoa street, be allowed to plant in front of his buildings trees not to occupy more than five feet in front for said purpose; and for the protection of said trees, to erect a neat board picket fence five feet in front of the building, and that no other kind of fence or wall whatsoever be allowed to be erected.

The following bills were audited and allowed and ordered to be paid for services in small-pox case and fumigating houses, viz: Dr. J. C. Handy, \$50; J. F. Hancock, for carpentering, \$18.50; A. G. Battner, for services as marshal, \$4.75.

The council adjourned to next regular meeting.

### Arrivals and Departures.

Arrived during the week:—Judge John T. Alsap, J. A. Simpson, Thomas Downey, S. Silverberg, A. Hamerslag, J. W. Clark, H. Melvin, G. D. Brown.

Departed during the week:—John Wall, Lieut. Hutton, John Azen, Mrs. Andrew Keene, L. D. Smith, Patrick Ryan, James Douglas, F. T. Sherman, Mrs. J. W. Eaton, Mrs. E. B. Pomroy, A. M. Geissinger, Wm. Wakefield, Major S. M. Whitlaid, John A. Smith, J. A. Simpson, Ah Fook, Goon Hwa, G. A. Brown, A. Hamerslag, Michael Carroll.

THERE is a brisk trade between Silver City, New Mexico, and the Pinal mines in this Territory. Supplies can be brought from the end of the railroad to Silver City and thence be laid down at Globe City cheaper than they can be obtained from the west, or else the large number of miners originally going to Pinal from Silver City have influenced trade, or something else causes this suddenly developed transportation. So it is nevertheless. Along the road passing south of the Gila there is a continuous stream of wagons.

GEN. THOMAS WILSON, of the department staff and chief commissary of Arizona, accompanied by Mr. Bailey are temporarily in town, en route to Prescott. General Wilson has been on a tour of inspection throughout the military posts in southern Arizona.

WHAT is the committee appointed by the mass-meeting some time ago, doing about the wagon road to Globe district? The construction of this road is of vital importance to the town and energetic action should be taken at once in the matter.

L. M. JACOBS & Co. have this week added 5,000 pounds of general merchandise to their various lines of goods and have shipped to points on the Gila, 3000 pounds of gold dust during the week.

NOVEMBER 16, the following passengers left San Diego on Keres & Mitchell's Southern Pacific Mail stage:—For Tucson, E. K. Wellington, C. W. Sellen, L. C. Hughes, wife and two children. For Yuma, Frank Wightman and Wm. Muncy.

AMONG the departures this week will be noted those of Mrs. J. W. Eaton and Mrs. E. B. Pomroy. These ladies leave a wide gap in their familiar social circle. Their absence will be greatly felt and their return ardently hoped for.

MR. J. E. BAILEY came in town from Safford, Pueblo Viejo district, this week, on grand jury duty. The farmers in his section hope for relief in their corn surplus by finding a market in Pinal district.

It rained heavily all night Saturday November 11.

### Florence Items.

The wagon road to the Globe district is being rapidly constructed. It has already been completed eight miles beyond the Gila and it is expected to be finished for use within 60 days.

The public school is in successful operation, under charge of G. W. Nash, an experienced teacher. There are 80 scholars on the roll, with an average attendance of about 60.

Mr. Joseph Collingwood, of the firm of E. N. Fish & Co., has lately returned from his eastern and centennial trip and is once more to be found at his post.

It is some ten days since election and we don't know as yet whether we are to live under a Democratic or Republican regime. Let us congratulate ourselves that our central government is becoming so strong that rebels, republican or democrat, shall stand no show whatever.

The following appears in the Arizona Miner of November 10:—  
The District Court of the third judicial district, of the Territory of Arizona, in and for the County of Yavapai, now this day, Monday, October 23, 1876, Murat Masteron, Esq., having announced to the Court the death of Honorable John Titus, upon motion of Joseph P. Hargrave, Esq., it is ordered that out of respect to the memory of the said deceased this Court be and hereby is adjourned until tomorrow, Tuesday, October 24, 1876, at 10 o'clock, a. m. and the Court was pleased to appoint the following gentlemen to prepare and report resolutions expressive of the sense of the Court and bar.

Joseph P. Hargrave, Murat Masteron, E. B. Pomroy, John A. Rush, and F. L. B. Goodwin.

Whereas—The Hon. John Titus, Esq., Chief Justice of the Territory of Arizona has been called from the sphere of his usefulness. Now therefore it is

Resolved—That while we deeply feel the loss of our honored and respected brother, we still feel sure that his acts and words while here will insure to his memory the respect of those who knew him, and will shine in the history of the Territory an undying monument to his worth.

Resolved that in his personal intercourse with us he commanded not only our hearty respect but the respect of the whole community; and it is therefore our duty as well as our pleasure forever to honor his memory.

Resolved—That we extend to his family and friends our heartfelt sympathy in their bereavement.

Resolved—That these resolutions be spread upon the minutes of this court and that a copy be sent to the family of our departed friend and brother, and they also be published in the various papers of the Territory.

Joseph P. Hargrave, Murat Masteron, E. B. Pomroy, John A. Rush and F. L. B. Goodwin.

THE Silver City Herald of November 5, says:—The Longfellow Copper Mining Company at Clifton daily turn out 6,000 pounds of copper. Judge Bennett and Morris Lesinsky have gone to Pinal.

THE condumrum agitating Philadelphia is: "Will the Government claim the \$1,500,000 advanced to the Centennial Exhibition?" There promises to be a surplus of about that amount.
